GRACE BUILDS

Besides the regular weekly and monthly flow of gifts, all of which are important to our future, several uniquely special things have happened since the new year.

In January, the school received a \$40,000 gift. In February, we were blessed by a \$100,000 gift. In March, the school and church each received \$100,000 checks as partial payment from the estate of former church members who have gone on to be with the Lord.

In the time of waiting on FEMA to finalize their commitment of grant money, we are in a position to evaluate ways to advance the project and use more of the funds to pay for the building spaces. A potential next step that would be most doable would be to finish Phase II (all the outdoor projects and infrastructure), a cost of approximately \$2 million.

While a couple of million dollars would not finish current buildings, much less start those in Phase III, it is possible to complete Phases I & II so that all FEMA money would go toward the buildings.

If you have not yet given, or you gave some time ago and have had time to catch your financial breath, now would be a great time to help move us forward on our next step toward completion of the future of Grace Ministries!

BEYOND BORDERS

MISSIONARY OF THE WEEK

BILL & JUDY FORTNER - MISSIONS 3:16

Please pray for safety and ministry opportunities as they travel to Romania and India to support and encourage students and instructors in the ministries there and also as they promote the work to churches here at home.

MISSIONARY VEHICLE NEEDS

Dale & Anabelle Barkubein, our missionaries to Philip-pines, will be back in the States for about six months beginning April 20 and would like to borrow a car. Andrew & Mary Ward, our missionaries to Togo, are looking to purchase a vehicle when they return to the States at the end of June. If you can help with either of these needs, please contact the church office.

MISSIONARY FINANCIAL NEED

JONATHAN & NOELLA KLEIS - ABWE

We have committed to help the Kleis' daughter, Emma, fly to Italy to assist Noella after she has some necessary surgery. Anyone interested in helping defray this expense (approximately \$1,200) please do so by contributing to the Benevolence fund.

DOMINICAN SURVEY TRIP

Our Hispanic pastor, Yensi Pimentel, is currently in the Dominican Republic on a mission trip evaluating a medical ministry in the city of Santiago. He is exploring the possibility of future opportunities for Grace to serve alongside the local church and their medical clinic. Please pray for him as he ministers to the people there and establishes these connections.

All ladies and girls are invited to:
