Pray for them as they serve in the Middle East. They have recently relocated. They continue to minister to their people remotely.

## EASTER CELEBRATION - APRIL 20 @ 10:30 AM

Next Sunday, we will enjoy a special Easter Service at 10:30 AM. It will be a Big Church Sunday for K-5th graders with Preschool and nursery classes available. The presentation of "Lamb of God" will include the choir, soloists, narration and the congregation in a time of worship and exaltation as we are reminded of God's powerful work of redemption. This time together will combine cherished hymns, popular songs and new songs to make this a true celebration of our risen Savior. Come join us on Easter Sunday morning as we praise the Lord in song and hear an inspiring message from God's Word. You can pick up invitation postcards in the foyer to invite your friends and neighbors!

# GRACE

— ACADEMY —

The coming of Spring brings the opportunity for a number of field trips at Grace Academy. This week will see Lower School students at Rock City (3rd grade) and the Tellus Science Museum in Cartersville, GA (4th). The Middle School Band & Choir will also be making an annual pilgrimage to Dollywood. The fact that Testing Week follows simply highlights the wide variety of experiences both in and out of the classroom that contribute to the growth of our young people and our Grace community.

Please continue to pray for the students and staff of Grace Academy throughout the next few weeks as we sprint toward the finish line of another school year!

Do you want to practice your Spanish with others who are on a similar language- learning journey? Grace en Español is teaming up with Choices to host a monthly language exchange for both native English and Spanish speakers! Our goal is to create a safe space to practice speaking in a low-stress environment so that we can feel more comfortable speaking English/Spanish out in the world. Ladies' Class	Janet Hicks	AUD

The author of Hebrews encourages his readers to seek spiritual courage only in Jesus Christ, "the author and finisher of our faith". The "let us" passages of this text encourage us and teach us about confidence and courage in our faith, in our daily walk, and in a renewed dependence upon Jesus Christ. Considering all Christ has done, in spite of any of life's circumstances, we have a Savior who has gone before and provided a way for us to live with courage and joy.

"Songs for the Journey" Steve Faulkner 1

Some of the most relatable portions of the holy Scriptures come from the book of Psalms, seen by some as the "Songbook of Ancient Israel." In this collection of Hebrew poetry are such expressions as prayers, praises, thanksgivings, instructions, laments, confessions, testimonies and imprecations. At the center of it all is the heart and mind of God whose perfect ways are revealed to us, His people, who are ever in need of His redemptive care. In this winter elective class, we will seek guidance and strength for life as we learn of God through the songbook of the saints in a discipleship series from the Psalms.

New Community Parshall/Greve 11

New Sunday School class for college and younger professionals with both singles and married couples. This class is shepherded by the Swansons, Greves, and Parshalls.
